

Web Development OU Campus Student Employee

Pay Rate: \$8.50/hour with annual performance raises

Hours per Week: 20 hours a week during the Fall/Spring semester; up to 40 hours a week may be possible during the Winter J-term, Spring Break week, and Summer terms.

Beginning Date: Immediately

Work Schedule: Flexible hours built around your work schedule during Monday-Friday, 8:00 a.m. – 5:00 p.m.

Job Description: If you are looking for a position that combines technical expertise, communication, and customer service, a student employee position with ITS Web Development Group may be right for you! Our student employees work in the ITS Web Development area, located on the second floor of Jody Richards Hall. Student employees provide technical support via phone and tickets for WKU students, staff, and faculty for OU Campus (the university's content management system). Along with resolving support tickets / questions, this position is responsible for routine maintenance and setup of new websites. **Please Note:** This position does not require web development experience but could be gained if this person is interested.

Required Qualifications: Currently enrolled **WKU undergraduate student** in good academic standing.

How to Apply: Please fill out the form: <https://airtable.com/shrKAr1LKIMpNxGTd>
