

School: _____ Grade: _____ Teacher: _____

Student Identification Form: SCIENCE

1) Which students demonstrate the most positive affect (enjoyment or excitement) towards Science?

- 1. _____
- 2. _____
- 3. _____
- 4. _____
- 5. _____

2) Which students know the most about Science?

- 1. _____
- 2. _____
- 3. _____
- 4. _____
- 5. _____

3) Which students value learning about Science most (importance/usefulness of Science)?

- 1. _____
- 2. _____
- 3. _____
- 4. _____
- 5. _____

4) Which students are most confident in their Science abilities?

- 1. _____
- 2. _____
- 3. _____
- 4. _____
- 5. _____

5) Which students demonstrate the most curiosity about Science?

- 1. _____
- 2. _____
- 3. _____
- 4. _____
- 5. _____

6) Which students demonstrate the most advanced learning/problem-solving strategies for Science?

- 1. _____
- 2. _____
- 3. _____
- 4. _____
- 5. _____

7) When confronted with difficulties (i.e., challenging problems), which students are most likely to continue working on the Science problem?

- 1. _____
- 2. _____
- 3. _____
- 4. _____
- 5. _____
