

SOCIAL & BEHAVIORAL SCIENCES EMPHASIS

Students in pursuit of a BIS degree with an emphasis in the Social and Behavioral Sciences can choose from numerous fields to take courses that are applicable to all facets of life. This emphasis effectively prepares students for successful careers in social service and human resource agencies, as well as graduate education, or professional programs such as law, education, or government.

Any courses in the following categories may be used in the area of emphasis. Some courses have prerequisites.

Anthropology (ANTH)	Political Science (PS)	Sociology (SOCL)
Folk Studies (FLK)	Psychology (PSY)	Social Work (SWRK)
History (HIST)	Recreation (REC)	Gender & Women's Studies (GWS)
Management (MGT)		

Following are additional accepted courses. Other courses may be considered on a course-by-course basis.
