## Departure

Buses should use designated bus lane to reload students. However, if a large event and we have numerous buses, PLEASE swing into the Adams Street Lot (across from Museum) and we'll escort students across the crosswalk. KM Staff will stop traffic at crosswalk to escort groups to parked busses-wherever they can find a spot in the Adams Lot. **We have had dangerous situations involving buses attempting to unload/reload from Kentucky Street.**

**Thank you for your cooperation!**
