

## Health Career Explorers FAQs

**1. What do I wear to the program?**

Please dress professionally. Khakis, a pair of dark colored jeans with no rips, black pants, etc. A nice top, preferably no t-shirts or hoodies. You **MUST** wear closed-toed and closed-heeled shoes to every meeting (hospital policy)

**2. Where do we meet?**

Most meetings we are at the main hospital. For these meetings, we will meet outside the gift shop by the information desk on the first floor. If you are being dropped-off, use the main entrance door. If you are driving, park in the garage, and enter the hospital through the ER doors. Keep walking straight until you reach the information desk.

On days when we are meeting at other HMH facilities, specific instructions will be emailed out prior to the meeting.

**3. I am sick/there is a family emergency, I cannot attend. What should I do?**

Let Catherine know! Send her an email (Catherine.malin@wku.edu), a text, or call her office (270-745-3325).

**4. School is closed due to severe weather. Are we still meeting?**

Often times the roads are greatly improved by the time our program is to begin. Catherine will assess the conditions in the late morning and make a final decision. The final decision will be emailed out, posted on our twitter page (@SCKY\_AHEC), and on Facebook (@SouthCentralKYAHEC). You are also welcome to contact Catherine directly.

If you do not feel comfortable traveling in the given road conditions, please do not come.

**5. I really liked department \_\_\_\_\_ and would like to shadow there, what should I do?**

Ask while we are at the department! Many of the departments will let students shadow them during school breaks or on days when school is not in session.
