VETERANS UPWARD BOUND SCHOLARSHIP APPLICATION INSTRUCTIONS

Our goal at VUB is to help veterans improve their lives through higher education. One way we do that is by providing community-funded scholarship opportunities to help veterans attend the postsecondary schools of their choice.

The 2019 deadline for returning the application to our office is Friday, June 28, 2019, with the scholarship recipients being announced at our awards banquet in early August (date TBD).

To be eligible, the applicant must:

- Be a current or past VUB participant who plans to enroll in school by the fall semester.
- Complete the attached VUB scholarship application.
- Submit an essay entitled, "How Veterans Upward Bound Has Benefited Me in My Pursuit of Higher Education." This essay should also address your financial need for this scholarship. It should be no more than two typed, double-spaced pages.

Incomplete applications will not be considered.

The VUB computer lab is available for those without computer access, and instructors can offer guidance and/or proofreading for the essay. Contact the instructors directly for more information and computer lab availability.

These scholarships would not be possible without the generous donations of our local military organizations, such as the Cumberland Trace chapter of the Military Officers Association of America, the Veterans of Foreign War Post 1298, and the American Legion Post 23. We want to thank them for continuing to provide financial support to help deserving veterans further their education.

Sincerely,

Davy Stone
Director of Veterans Upward Bound
